Sub: Mangalore Circle - Reorganized - Additional staff for the Law & Order Stations - Proposals.

The Inspector-General of Police, Madras, in his Inspection Notes under date 28-10-46 of the Mangalore Crime Branch has remarked as follows:-

" There is a demand for additional staff in constabulary to aid ex-convict checking work. There seems to be justification in this".

2. In compliance of the above remarks the following proposal for the formation of an additional staff of one Head Constable and two Police Constables (Crime Detachment) for each of the three Law and Order Stations of Mangalore Circle is submitted.

3. The Re-organized Mangalore Circle as per orders in G.O.Ms. 1426, Home Department, dated 25-6-43 communicated with Chief Office endorsement R.C.No.946/RA/43, dated 6-7-43 has been functioning from 15-7-43, with three Law and Order Stations viz., Mangalore North, Mangalore South and Mangalore East Station with a Crime Branch to aid them. The distribution of staff is shown below.

4. In the above re-organized strength adequate provision, as envisaged in P.S.O. 842 Volume I, has not been made for Crime Detachments to each of the above three Law and Order Stations to check and keep in touch with the local criminals and report on them, and to make such local enquiries as may be necessary under the supervision of the Law & Order Sub-Inspectors to facilitate detection and the efficient working of the Circle Crime Branch. The Crime Branch, however, with its small staff of two sub-Inspectors, 4 Head Constables and 8 Police Constables is also not in a position to cope with the above work with any degree of efficiency.

5. The present distribution of work is as follows:-

The two Sub Inspectors handle Crime on an alternate basis, the senior of the two being in charge; one of the Head Constables is placed in charge of the Record Section; two Head Constables are detailed for detection duties and one for Court work in undefended cases, and the Police Constables are utilized for detectign work.

In Mangalore North Station limits, there are 532 ex-convicts of whom 335 are present, 115 O.V. and the rest in jail. In Mangalore South Station limits there are 254 ex-convicts, 55 of whom are O.V. and the rest present, and in Mangalore East Station limits there are 275 ex-convicts of whom 89 are present, 85 O.V. and the rest in jail. The average total professional Crime for the last 3 years is roughly over 250 and these are entirely handled by the Crime Branch staff.

Continued Labour unrest, the Railway Strike and similar events the Law and order station staff sufficiently well engaged, with the result that the other important duty of ex-convict checking is perforce neglected. It has not been possible also to divert any portion of the Law and Order Staff for this branch of work.

As a measure of immediate relief and for the efficient performance of duties in the Circle, I request that Crime Detachments of 1 Head Constable and 2 Police constables for each of the three Law and Order Stations of the Circle may be kindly sanctioned urgently.
